

The most simple tasks become complex when
living with a Savannah.

All I wanted was a cup of coffee.

by: Deborah Frierson, Savannah Owner

HOW TO MAKE COFFEE USING A FRENCH PRESS

Put water in measuring cup to heat;
Open microwave to heat water;
Pull SV out of microwave;
Remove SV paw from water and change water;
Open microwave to heat water;
Remove SV from microwave;
Put coffee grounds in French press;
Remove SV head stuck in French press;
Pour hot water over grounds;
Pull SV from microwave;
Put cream in cup to heat;
Remove SV head from coffee cup and wipe up spilled cream;
Repeat with cream, heat in microwave;
Pull SV from microwave;
Pour coffee into cup using other arm to fend off SV;
Run from kitchen and lock self in office to enjoy coffee in solitude;
Insert ear plugs to lessen din from screeching cat.
